## AGENDA

# WHAT

### What Matters Most?

- Evaluate where you spend your time versus where you should. Explore balance and boundaries.

### Time Management

- Tools to Thrive: Discover practical routines, focus strategies, and prioritisation techniques to boost productivity.

### Empower your team

- Increase Capacity: Learn how to create accountability, place the right people in the right seats, and understand how your behaviours influence your team's performance.

### Master Delegation

- Key to Empowerment: Learn the art of delegation—what to delegate, why it matters, and how to do it effectively.

### Resolve Conflict

- Manage and Mediate: Using personality profiling, explore how different people react under stress. Practice with role-playing exercises.
